

QUALITY POLICY STATEMENT

The declared policy of Avery Weigh-Tronix is to operate in an environment that continually improves the products and services which supports a high level of customer satisfaction.

Avery Weigh-Tronix recognises that future success depends on the quality of its products and services and being able to meet the ever-increasing demands and expectations of its customers.

Accordingly, the company will provide goods which are fit for purpose, safe and reliable, together with an equally high level of service and maintenance. In order to meet these requirements, Avery Weigh-Tronix will ensure it conforms to agreed contractual requirements, relevant accreditation standards, regulations and legislation.

Appropriate Quality Objectives will be established and monitored by Top Management to ensure that the policy is put into practice and is applicable to the organisations purpose and all business activities.

The Quality Management System sets out the procedures and processes that are required to achieve the policy and objectives. Conformance to the Quality Management System is mandatory as all employees have a part to play.

This Quality policy is available via our intranet and upon request from an interested party. It is reviewed annually as part of the management review process to ensure it is still appropriate to our business activities.
